Sumit Rai

SENIOR PRODUCT DESIGNER | AI BUILDER

Delhi, India | sumitraiworks@gmail.com | linkedin.com/in/isumitrai | isumitrai.github.io

PROFESSIONAL SUMMARY

Product Designer with 8+ years of product design experience and 12+ years of overall design craft.
Experienced in designing digital products across SaaS, AI, EdTech, FinTech, HealthTech, and consumer platforms.
Focused on product strategy, user experience, interaction design, visual design, and building thoughtful digital experiences.

PROFESSIONAL EXPERIENCE

Founding Designer — 2025 - Present

Raimage Design | New Delhi, India

- Directing product design, brand identity systems, and AI-native interface explorations for high-growth ventures.
- Spearheading product strategy, component libraries, and rapid interactive prototyping combining Figma and code.
- Partnering closely with founders and engineering leaders to translate complex workflows into intuitive user experiences.

Senior Product Designer — 2023 - 2025

Edfora Infotech | New Delhi, India

- Led end-to-end product design across web and mobile platforms for FIITJEE educational products and learning platforms.
- Collaborated with product leadership on research-backed roadmaps, multi-tenant dashboards, and learner portals.
- Architected a unified design system that accelerated cross-functional design-to-development velocity by 35%.

Product Designer — 2021 - 2023

Design Matra | New Delhi, India

- Owned user experience design for high-traffic SaaS and mobile products across FinTech, HealthTech, and E-Commerce.
- Redesigned core onboarding, search, and checkout flows, driving measurable gains in user conversion and retention.
- Conducted generative usability research, rapid iterative prototyping, and comprehensive responsive design audits.

Graphic & Interface Designer — 2015 - 2021

Kitaro Trading | New Delhi, India

- Designed digital brand identities, marketing assets, and responsive web interfaces across diverse consumer product portfolios.
- Created foundational brand guidelines, design tokens, and multi-channel creative visual communication assets.
